

# BISHWA JUNG SHAH

## FULL STACK DEVELOPER

☎ 9862531293 | ✉ shahbishwa21@gmail.com | 📍 lalitpur, Nepal

🌐 [LinkedIn](#) | 📄 [Github](#) | 🌐 [Website](#)

## SUMMARY

Software developer who enjoys turning complex problems into simple, scalable solutions. Experienced in backend development, system design, and building production-ready applications. Always exploring better ways to optimize performance and improve user experience through clean and efficient code.

## EXPERIENCE

### Hyteno

Aug 2021 - Aug 2023

#### Frontend Developer

- Developed and optimized user-facing features for the Morgenland rugs platform, improving website performance, responsiveness, and overall user experience across devices.
- Collaborated with cross-functional teams to implement scalable UI components, enhance product display pages, and ensure seamless integration with backend APIs.
- Improve the performance of website and maintain the web vitals by 90%

### Detech Solutions

May 2023 - Present

#### Full-stack Developer

- Played a key role in building and enhancing healthcare-related solutions (Upacare), focusing on performance optimization, system reliability, and seamless integration between services.
- Designed and implemented a scalable backend system capable of handling 1000+ concurrent users, leveraging caching, efficient database queries, and optimized API performance.

## MAJOR SKILLS

Nest js Hono js Nest js React AWS Postgres Nginx MongoDB Nuxt Vue

## PROJECTS
